

Test Document for Plagiarism and AI Scan

This is a test document containing text content. We want to test if the PDF parser is working correctly when we upload this document to the Turnitin Clone application. Plagiarism is the representation of another author's language, thoughts, ideas, or expressions as one's own original work. It is considered academic dishonesty and a breach of journalistic ethics. AI writing has become popular with models like ChatGPT, Claude, and Gemini producing human-like text outputs. We will delve into the tapestry of this multifaceted domain and demystify the core components of modern detection models.
